

Can't help falling in love

*Wise men say
Only fools rush in
But
in love with you
Oh, shall I stay?
Would it be a sin?*

*Oh, if
in love with you
Like a river flows
Surely to the sea
Darling so it goes*

*Some things
Are meant to be*

*Take my whole life too
Oh, for
in love with you*

*Oh, like a river flows
Surely to the sea*

Some things are meant to be

*Oh, take my hand
Take my whole life too
For*

*in love with you
Oh, oh, for I,
in love with you*
