I haven't looked at the replies to our invitations [3]*yet / already*. But we're hopeful that loads of people are coming! Does anyone know why some of the kids in Mr Barker's class haven't received their invitations [4]*yet / already*? Oh, it's okay! Eric Styles has [5]*just / yet* emailed me to say he thinks there's an email problem with that class. He's going to re-send it.

Has anyone thought about the music [6]*just / yet*? Let's talk about that at the next meeting. I've [7]*yet / just* sent the people who are organising it a text message, so check your phones.
