Bandwidth and Network Performance

Name: _____

Read the 'Bandwidth and Network Performance' content in the Learner's Book to complete the following:

1 Sort the following transmission medium in ascending order of their bandwidth:

- Twisted copper wire
- Wi-Fi
- Fibre-optic cable

2 Sort the following activities according to their bandwidth requirements to complete the table:

- streaming HD videos
- downloading text files
- streaming movies
- video calls
- sending emails
- live streaming an audio webinar
- VoIP (Voice over Internet Protocol)

Requires a lot of bandwidth	Requires little bandwidth
