Listening 3

Listen to the statements and fill in the blanks.

1.

I went to a new steak **(1)**……. last night that opened near my house. I love trying new places. To start the meal, I had an interesting **(2)** ……. It was some kind of **(3)**……. with a spicy sauce on it. Mmm! The main dish, of course, was **(4)** ……. It was very small and a little **(5)**……., though. However, the vegetables were great-nice and fresh, but not too **(6)** ……. The final thing was the best - the dessert! It was apple pie with a lot of **(7)**…….on it. I know that I shouldn't eat so many sweets, but it was delicious!

2.

Have you ever tried that **(8)** ……. restaurant on Main Street? You should- it's great! I go there often. In fact, I went there last weekend. To begin, I had a **(9)**..... It was nice and **(10)** ……. with a great house dressing. My main dish was a **(11)**……. that I had never tried. I really enjoyed the spices it was cooked in. The vegetables were good- very fresh and tasty. For dessert, I had **(12)**……. cake. It's usually very **(13)**……., but this time, it was much too sweet. I couldn't eat more than two bites. That's okay, though, because I'm on a diet.

3.

My new girlfriend took me to a Chinese **(14)**…….in her neighborhood the other night. It was pretty good. First we had some **(15)** ……. They were the best I had ever tasted. Then we ordered the **(16)** ……. and pepper stir- fry. It came in a very interesting sauce- spicy, but not too spicy. We also ordered the steamed vegetables, but they were **(17)** ……. They were really too soft. The dessert was a big bowl of fresh **(18)**……. Some of the **(19)**……. I had never seen. It was **(20)**…….and so was my date!

For lunch, my co-worker and I went to a nice little **(21)**……. restaurant near our office. He didn't feel like eating much, so he just had a small **(22)** ……. I had a large meal, though. First, I had the **(23)** ……. soup, but it was much too **(24)** ……. For my main dish, I had a piece of **(25)** ……. It was too **(26)** ……. and had no taste. The vegetables were perfect, though-broccoli and peas. Those are my favorites. Finally, I had a large bowl of **(27)**……. mousse. It was just like the **(28)**……. mousse. I had in France during my last vacation-very **(29)**……. and delicious. I think I'll have it next time, too.
