All Aquarians <sup>(1)</sup>*get off* / *are getting off* to a good start this month, with some good news on the home front. The news <sup>(2)</sup>*will help* / *is helping* to relax recent tensions and give you the chance to make a fresh start. There <sup>(3)</sup>*will be* / *are being* lots of new things on other fronts this month. It really <sup>(4)</sup>*is going to be* / *is being* a time of great opportunity. Soon, a special person <sup>(5)</sup>*will come* / *comes* into your life – and this <sup>(6)</sup>*isn't going to be* / *isn't being* just another friendship. At work, you <sup>(7)</sup>*will need* / *are needing* to rise to new challenges that <sup>(8)</sup>*will test* / *are testing* your character. If you make a wrong move, you <sup>(9)</sup>*will definitely regret* / *definitely regret* it. In short, this is a month which <sup>(10)</sup>*will bring* / *is bringing* many opportunities but there <sup>(11)</sup>*will be* / *will being* risks, too, so be careful!
