There were **1** lots of traffic jams in my city. It was a big problem because there **2** _____ lots of pollution as well. There **3** _____ many trees either, so there wasn't any **4** _____. This changed over the years. There are now many trees and two new parks. There wasn't a lake but they made a new one. There weren't **5** _____ animals in that area. Now it is full of birds and fish. There were **6** _____ flowers along the side of the streets but now there are many more. My city is a lot cleaner and more colourful.
