

SOMEONE I KNOW'S JOB

1. Read the following paragraph about Amy's dad job.

My dad is a hard worker. **He was self-employed but now he is an employee** of an Australian company. He works as a **chemical engineer**. **He started doing this job 20 years ago. At the beginning, he liked his job but these days, he doesn't like it very much. He says that it's boring. He grew up with little money and so he chose this job because he wanted to make a living** for himself. His job is **white-collar since he doesn't do any manual labour, he works in an office at a desk. He works 40 hours, 5 days a week so he is a full-time worker.**

2. Answer the following questions:

Who is the paragraph talking about? _____

What does his dad do for a living? _____

Does he work for himself or has a boss? _____

When did he start the job? _____

Why did he choose that job? _____

Does he work part-time or full-time? _____
