Hello! My name's Johnny. I'm thirteen years old and I live in England. I just want to talk about how my friends and I spend our free time. My best friends are Tom and David. They are in the same class as me.

If the weather is nice we go for a walk or we ride our bikes. All of us like rollerskating. We often play football, basketball or frisbee in the park and when it is rainy we go to the sports centre. Here we usually play table tennis or go swimming.

At home I usually listen to music or read magazines and books. Of course as other teenagers I often go on the Internet or play computer games – but not always. In the evenings I sometimes watch TV. I often invite my friends over for dinner or a cup of tea and we play chess or cards. At the weekend we go hiking, fishing or sometimes we go to the cinema. We like comedies.
