I used to float, now I ..... fall down

I used to ..... but I'm not sure now

What I was made for

What was I made for?

Takin' a drive, I was an ideal

Looked so ....., turns out I'm not real

Just something you ..... for

'Cause I, I

I don't know how to .....

But I wanna try

I don't know how to .....

But ....., I might

When did it end? All the enjoyment

I'm sad ....., don't tell my boyfriend

It's not what he's made for

Think I ..... how to be happy

Something I'm not, but something I can be

Something I .....for

Something I'm made for
