

I used to float, now I ..... fall down

When did it end? All the enjoyment

I used to ..... but I'm not sure now

I'm sad ....., don't tell my boyfriend

**What I was made for**

It's not what he's made for

**What was I made for?**

Think I ..... how to be happy

Takin' a drive, I was an ideal

Something I'm not, but something I can be

Looked so ....., turns out I'm not real

Something I .....for

Just something you ..... for

Something I'm made for

**'Cause I, I**

**I don't know how to .....**

**But I wanna try**

**I don't know how to .....**

**But ..... , I might**
