

WATER CAN SAVE US,

WE CAN SAVE WATER!

1 Change the statements into negative sentences.

Ex: The school teaches us about water conservation.

The school doesn't teach us about water conservation.

- a. We turn off the tap while brushing our teeth _____
- b. The gardener waters the plants every day. _____
- c. We can save water by fixing leaks in faucets. _____
- d. They forget to use a bucket when washing the car. _____
- e. We waste water when taking long showers. _____

2 Read the answers and write a question for each answer

Ex: How often do you leave the faucet dripping overnight?

I never leave the faucet dripping overnight.

- a. _____ I always brush my teeth before going to bed.
- b. _____ I rarely wash dishes under running water.
- c. _____ My sister usually takes shorter showers.
- d. _____ We sometimes use a bucket to collect rainwater.
- e. _____ He hardly ever runs the dishwasher unless it's fully loaded.
