DAYS OF THE WEEK

1- READ ALICE ROUTINE.

Hello! My name is Alice. I am ten years old. On Mondays, I go swimming, then my dad takes me to the park where I climb trees and play with my friends. On Tuesdays I have all day to do whatever I like, I usually draw and read. On Wednesday I swim again, but then I go home, my mum doesn't take me to the park. On Thursdays, I go to music class, I like singing! I do all my homework on Friday to have Saturday and Sunday free to play with my friends!
