

WHEN IS YOUR BIRTHDAY? Kdaj je tvoj rojstni dan?

1. Dobro si oglej osebe na zabavi. Na sliki se skrivajo podatki, ki ti povedo, v katerem mesecu imajo rojstni dan. V koledar spodaj vpiši njihova imena pod pravičen mesec. V ostale vpiši X.

Mary has got long wavy brown hair. She is a teacher.

Jack is short. He has got shoulder length straight brown hair.

Mark has got wavy brown hair and big ears.

Luna has got long straight brown hair and red cheeks.

Sara has got long wavy light brown hair. She wears a pink headband.

Tom is short. He has got short straight dark brown hair.

Peter has got short straight black hair and red cheeks.

Luke has got short blonde hair.

Nina has got black hair. She wears a green kerchief.

2. Še enkrat si ogledaj zgornji koledar. Dopolni stavke kot kaže primer. Pomagaj si s svojimi pridevniki v zvezku (his, her, their).

spring	summer	June	autumn	March	winter	September
--------	--------	------	--------	-------	--------	-----------

Mary: Her birthday is in summer.
