Memory

Memory is at the **(0) heart** of our sense of personal identity. If we did not have memory, we would not be **(1)**_____ of our relationships with other people and would have no **(2)**_____ that we had had any past at all. And without memory we would have no knowledge on which to **(3)**_____ our present and future.

Memory **(4)**_____ of three processes: registration, retention and recall. Registration happens when we consciously notice something. Retention is the next **(5)**_____ when we keep something we have noticed in our minds for a certain period of time. Finally, recall occurs when we actively think about some of these things that are **(6)**_____ in our minds.

Every day we are subjected to a vast **(7)**_____ of information. If we remembered every **(8)**_____. thing we had ever seen or heard, life would be impossible. Consequently, our brains have learnt to register only what is of importance.
