(points: 10)

Hi! I'm Alex. Let me tell you about my vacation. Last winter, my friend Isa, who is from Florida, came to visit. We were happy to see her. We went to her favourite restaurant for lunch after playing football in the park all day. We ate some delicious burgers and fries. Later, we studied together for the Math exam at my house. Isa and Melanie are both excellent students!

The next day, we went to the beach, where Isa showed us how to surf. We had a lot of fun. We swam in the sea and built sand castles. In the evening, we cooked marshmallows over a bonfire and shared our favourite part of what we did during the day. Isa proved to be a great storyteller. She can tell the funniest stories! I was sad when Isa left, but I was grateful for all the fun we had. She promised to visit again soon, which made me very happy.
