WRITING PRACTICE!

Read the following text and fill in the gaps using personal pronouns and possessive adjectives.

In the previous video, there is a girl describing objects. carries objects in bag. shows expensive phone. is an expensive, new, one-year-old, American phone. camera is very good. is an HD camera. also shows headphones. likes listening to music on the go.

Then, shows a sube card. This is a card to pay the bus in Argentina. People get on the bus and pay the bus ticket with that card. is very useful. Also, carries ID-card. In Argentina, is called DNI card. But, in English, say is an ID card.

..... carries perfume in bag, too but before that mentions cherry lip balm. Some people carry that because lips get dry.

Other important objects carries are money, a small notebook and sister's blue umbrella, in case rains.

For Argentine people, mate is very important. seems can't live without mate!

What's in your bag? Make a list of objects and describe them?
