

Part 5 Matching (Gapped Text)

Practice 1

You are going to read a letter written by Mei Mei to her friend. Six sentences have been removed from the letter. Choose from the sentences (A-H) to fit each group (1-6). There are two extra sentences which you do not need to use.

For each question, write correct answer (A-H) in the space provided.

Dear Ann Li,

How are your holiday? I hope that you have enjoyed it as much as I have enjoyed mine. This time around, my parents thought of doing something different. The home encourages families to foster a child during weekends or holidays. My dad and I thought it was a good idea. One Saturday morning, we drove to the home. The children were of all ages, from babies to teenagers. Despite the circumstances that led them to being in the home, they did not seem resentful at all.

Jane was sent to live with us. The things I look for granted like having my own room, a big, comfortable house and well-stocked fridge excited her. We got to know Jane. She was friendly and cheerful.

As the holiday ended, I felt sad that Jane would have to go back to Shelter House. Write to me and tell me how you spent the last two months. Take care and bye.

Your friend,

Mei Mei
