A Sarah

B Samuel

C Richard

D Geraldine

E Josephine

F Jasmin

- Sarah thinks modern technology helps us to be more honest and open. F
- Samuel says that we can contact people instantaneously with mobile phones. _____
- Richard is a technophobe but likes using social networking sites. _____
- Geraldine thinks that, despite modern technology, it's still necessary to speak to people directly. _____
- Josephine says that although we can communicate remotely very successfully, a lot of people still feel isolated. _____
- Jasmin thinks that communication is worse because people don't speak to each other face-to-face so much. _____

What kinds of problems can modern communication cause? Look at the people and read their answers. Then watch the video from 2:38–3:27 and match the six answers to the correct people.

A Fay

B Jasmin

C Richard

D Sarah

- It's possible to make serious spelling mistakes in emails if you don't pay close attention. ☐
- A lot of problems can be caused by modern communication. ☒ A
- It can be hard for people to express themselves clearly, so the person who receives the email might misunderstand the message. ☐
- People often send emails to the wrong people. ☐
- She typed her name wrongly and signed an important email with the word Satan. ☐
- She has problems organising her emails and often sends the wrong work to her teachers. ☐

THE WAY WE SPEAK: The people in the pictures use some common words and phrases when they answer Pasha's questions. Watch the video from 0:26–2:37 and complete what they say.

Richard

We do a *kind of* 'round robin', you know, we each ¹take turns to cook for each other. It's ²_____ us more options. I'm a bit of a technophobe though. I don't use social networking sites, I haven't got on the whole, *kind of*, Twitter *bandwagon*: so I know that that's there for me to use if I wanted to, but I tend ³_____ to bother.

Geraldine

Well, I ⁴_____ to use an *awful lot of* postcards and letters, but of course that's now email.

In theory, it ⁵_____ be better, but in practice, sometimes you just have to speak to somebody on the phone.

Jasmin

My phone. My phone is my *lifeline*. Use it ⁶_____ everything. I hate computers.

No. I think it's probably made it a lot ⁷_____ as people don't talk face-to-face as much and they just rely on 'text speak' and things, and points don't get *put across* as well if you're ⁸_____ speaking face-to-face.
