Lucky Routines

According to some athletes, lucky routines help them perform better in competitions. In fact, they believe that they can't win a game without these routines.

Tennis player Serena Williams, for example, believes that she shouldn't change her socks during a tournament. She wears the same socks for all the games. Serena also believes she mustn't forget to bring her lucky shower sandals to each game.

Another athlete, basketball player Jason Terry has got a very unusual routine. The night before a game, he sleeps in the basketball shorts of his opponents! What else does Jason do for luck? He always eats some chicken before a game. He plays basketball very well, so maybe his routines really are lucky.
