

Making Sandwiches with Grandma

Aiman was excited to spend the afternoon with her grandma, who had promised to teach him how to make his favourite sandwich. As they entered the kitchen, the aroma of freshly baked bread filled the air.

Grandma: Are you excited to start making sandwiches?

Aiman: Yes, Grandma! I'm super excited!

Grandma: Great! Let's get started then. First, can you spread mayonnaise evenly on a slice of bread?

Aiman: Sure, Grandma! Like this?

Grandma: Perfect, Aiman! Now, what comes next?

Aiman: Um... Next, we put a piece of beef ham on top, right?

Grandma: That's right! You're getting the hang of it. Here's the ham.

Aiman: Got it! Now, we add a layer of sliced pickles.

Grandma: Exactly! You're doing a fantastic job, Aiman.

Aiman: Thanks, Grandma! Now, after that, we place a handful of salad on top, right?

Grandma: Yes, that's correct! You're following the steps perfectly.

Aiman: And then, we cover with the other slice of bread to make a sandwich!

Grandma: Perfect! Make sure to press gently to secure the sandwich.

Aiman: And finally, we cut the sandwich in half, right?

Grandma: You've mastered it perfectly, Aiman!

Aiman: Yay! I can't wait to taste our delicious sandwiches, Grandma!

Read the dialogue carefully and pay attention to the sequence of actions described by Grandma and Aiman in making sandwiches. Fill in the blanks with the correct verbs based on the given instructions

1. First, _____ mayonnaise evenly on a slice of bread.
