

# THE SELFISH CROCODILE

Read , look  and match. 

A little mouse appeared and ran along the crocodile's tail, then on to his tummy.

The crocodile shouted to the creatures: "Stay away from my river".

The forest animals heard a loud groaning sound. They thought the crocodile caught an animal.

The animals drew closer but not too close. They didn't try to help the great big crocodile.

The animals went for miles to drink and bathe in other rivers and streams.
