Bee Gees Lyrics

"Words"

Smile an _____ smile
A smile can bring you near to me
Don't ever let me find you _____
Cause that would bring a _____ to me

This _____ has lost its glory
Let's start a brand new story
Now my love, right _____
There'll be no other _____
And I can show you how, my love

Talk in everlasting words
And _____ them all to me
And I will give you all my _____
I'm here if you should call to me

You think that I don't even mean
A single word I say

It's only words, and words are all I have
To take your _____ away

You think that I don't even mean
A _____ word I say

It's only words, and words are all I have
To take your heart away
It's only words, and words are all I have
To take your heart away
It's only words, and words are all I have
To take your heart away
