

flowers lake mountain snow trees

Hi Julia,

How are you? I'm great! My new town is *really* cool. I like nature, and there's a lot of nature here! There's a big, tall ¹ _____ near my house. There's a forest on the mountain, with a lot of ² _____. There's ³ _____ on top of the mountain in January and February. There's a small ⁴ _____ in my neighborhood, and I run next to the water in the morning. There are no ⁵ _____ now because it's January.

I love this town. Please visit soon!

Your friend,

Marisa
