

The use of a/an and the (1–3)

Complete this true story. Put in *a/an* or *the*.

► A man decided to rob (1) bank in the town where he lived. He walked into (2) bank and handed (3) note to one of (4) cashiers. (5) cashier read (6) note, which told her to give (7) man some money. Afraid that he might have (8) gun, she did as she was told. (9) man then walked out of (10) building, leaving (11) note behind. However, he had no time to spend (12) money because he was arrested (13) same day. He had made (14) mistake. He had written (15) note on (16) back of (17) envelope. And on (18) other side of (19) envelope was his name and address. This clue was quite enough for (20) detectives on the case.
