Today, Mum took me and my brother George on a trip into **town**. We were so excited that we couldn't sleep well last night. We woke up very early today and went to the station to take the train. First, we went to the cinema and saw a movie about the of some astronauts. We got good because the cinema was nearly empty. George was very happy because he has always wanted to become an astronaut and explore other planets. Then in the afternoon, we went to the museum to see some dinosaurs. I needed to take photos of them as part of my school project about animals. We also found out a lot of interesting information about the pyramids and the history of Egypt. We then had an excellent at a pizza restaurant right next to the museum. But the most exciting part of the trip came in the evening when Mum us to the circus. When we arrived, we met a clown who told us some funny stories. There were also some penguins and monkeys riding bicycles and doing tricks. After the circus finished, we took the train back home.
