The tropical climate zone that lies on the equator. It is usually (4)_____ all the time here.

4 Solve the problem.

Mom: Tony, have you filled up the bottles with water?

Tony: Where are the bottles, mommy?

Mom: In the kitchen. I washed them all yesterday.

Tony: Ah I see. Mom and daddy's bottles are 1000ml each,
and my sister's and mine are 800ml each.

Mom: Yes, that's right, honey. How many liters of water are in
4 bottles?

..... Litters
