Para sumar fichas de las filas inferiores se usa el dedo pulgar. Para restar fichas de las filas inferiores se usa el dedo índice.

Las fichas que están tocando la barra de resultados constituyen nuestra solución.

Four sets of problems (A, B, C, D) and four more (E, F, G, H) are shown, each with a vertical number line, a turtle illustration, and an abacus.

(A) $2 - 1 = 3$ (Turtle illustration)

(B) $1 - 1 = 1$ (Turtle illustration)

(C) $3 - 1 = 2$ (Turtle illustration)

(D) $4 - 3 = 1$ (Turtle illustration)

(E) $2 + 2 = 3$ (Turtle illustration)

(F) $4 - 4 = 3$ (Turtle illustration)

(G) $3 - 2 = 1$ (Turtle illustration)

(H) $1 - 1 = 2$ (Turtle illustration)
