Date: _____

Text 1 **A Read the postcard.**

20th July 20XX

Hi Katy,

I am having a wonderful time in Australia with my parents! We are staying in a beautiful hotel. From the window I can see the harbour.

There is a fantastic restaurant on the third floor of our hotel. We can have buffet breakfast, lunch and dinner there. I love buffets because I can get all the food I like.

There is an enormous shopping centre opposite the hotel. It has lots and lots of shops. There is a huge book shop. There is a toy shop too. I want to go to the toy shop because I want to get some birthday presents for my cousin Penny and you! There is also a cinema. The new *Robots* film is on there. I really want to watch it!

Oh, time to meet Penny's family. See you next week!

Love,
Ada
