Grade 2 **Fables**

A. Read the short story below. Then, do the exercises that follow.

The Wise Owl

Deep in a forest, lived wise owl Oliver. Animals always came asking him for advice. One day, a rabbit raced in. He was so mad at fox and wanted to end their friendship. Oliver said, "Patience is key. Understand before you act."

The rabbit listened, went to fox and asked him why he did what he did. When fox explained it all, everything was clear and they remained friends.

B. Fill in the blanks by dragging the word that best completes each sentence.

place	characters	time	fable	title	solution
