1. Look and write:

74+59=143

3x12=36

40:8=5

92-34=58

2/3

1/5

7/6

¼

i came second in the final exam.

My class is on the sixth floor.

Next year will be my twenty third birthday

2. Look and speak

74+59=143

3x12=36

40:8=5

92-34=58

2/3

1/5

7/6

¼

i came second in the final exam.

My class is on the sixth floor.

Next year will be my twenty third birthday

3. Listen and write
