2.-Fill in the gaps with the words from the box

nice, never, pal, ever, too, bed, anything,  
be, years, rough, love, troubles, our, together

### CHORUS

*You've got a friend in me*

*You've got a friend in me*

When the road looks \_\_\_\_\_ ahead  
And you're miles and miles from your \_\_\_\_\_ warm \_\_\_\_\_  
You just remember what your old \_\_\_\_\_ said

Boy, you've got a friend in me  
Yeah, you've got a friend in me

### CHORUS

You got \_\_\_\_\_, and I got them too  
There isn't \_\_\_\_\_ I wouldn't do for you  
We stick \_\_\_\_\_ and we see it through  
'Cause you've got a friend in me  
You've got a friend in me.

Some other folks might \_\_\_\_\_ a little bit smarter than I am  
Bigger and stronger \_\_\_\_\_, maybe  
But none of them will \_\_\_\_\_ you the way I do  
It's me and you, boy

And as the \_\_\_\_\_ go by  
Our friendship will \_\_\_\_\_ die
