Guess the words

a young hen

a dog's house

a place where bees live

a young horse

birds use them to fly

some animals have them on their feet, they are hard

a pig makes this noise

animals have it all over their bodies, it's soft

a place where a canary lives

some animals have them on their heads, they are dangerous

a place where a goldfish lives

a young goat

a sound a horse makes

a body part that helps fish swim
