used to

1 Read Marina's post. Which words does Marina use to talk about things that happened regularly in the past but don't happen now?

**What was your primary school like? Did you use to have the same teacher for all your subjects, for example?**

Yeah! We used to have the same teacher for everything and we rarely got homework. We used to have little tests but nothing serious. I always used to have lunch at school. After lunch, we didn't use to have proper lessons, our teacher used to take us to a big room to play games. At the end of the day, my mum or dad used to collect me from school.

*Marina, Bologna, Italy*

2 Answer the questions.

- 1 Does *used to* change when we change the subject pronoun (I/you/he/she, etc.)?
- 2 What happens to *used to* in a negative sentence and in a question?
- 3 What verb form generally follows *used to*?

3 Write a post saying what you used to do or have at primary school.

*In primary school, I used to draw a lot.  
I didn't use to ...*

At school
