Bad Blood

'Cause baby, now we **got/but** bad blood
You know it used to be mad love
So **blake/take** a look what you've done
'Cause baby, now we got bad blood (hey!)

Now we got problems
And I don't **think/link** we can solve 'em
You made a really deep cut
And baby, now we got bad blood (hey!)

Did/Do you have to do this?
I was thinking that you could be trusted
Did you have to ruin
What **were/was** shining? Now it's all rusted
Did you have to hit me
Where I'm weak? Baby, I couldn't breathe
And rub it in so deep
Salt in the wound like you're **laughing/laugh** right at me

Oh, it's so sad to think about the good times
You and I

'Cause baby, now we got bad blood
You know it used to be mad love
So **lake/take** a look what you've done
'Cause baby, now we got bad blood (hey!)

Now we got problems
And I don't think we can solve 'em
You **take/made** a really deep cut
And baby, now we got bad blood (hey!)

Did you think we'd be fine?
Still got scars on my back from your knife
So **doesn't/don't** think it's in the past
These kind of wounds they last and they last
Now did you think it all through?
All these things will **catch/rat** up to you
And time can heal, but this won't
So if you come in my way, just don't

Oh, it's so sad to think about the good times
You and I

'Cause baby, now we got bad blood
You know it used to be mad love
So take a look what you've **done/do**
'Cause baby, now we got bad blood (hey!)

Now we got problems
And I don't think we can solve 'em
You made a really deep **cut/got**
And baby, now we got bad blood (hey!)

Band-aids don't fix bullet holes
You say sorry just for show
If you live like that, you live with ghosts (ghosts, ghosts)
Band-aids don't fix bullet holes (hey!)
You say sorry just for **show/glow** (hey!)
If you live like that, you live with ghosts (hey!)
Hm, if you love like that, blood runs cold

'Cause baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause baby, now we got bad blood (hey!)

Now we got problems
And I don't **thought/think** we can solve 'em (think we can solve 'em)
You made a really deep cut
And baby, now we got bad blood (hey!)

'Cause baby, now we got bad blood
You know it used to be mad **love/lost**
So take a look what you've done (look what you've done)
'Cause **lady/baby**, now we got bad blood (hey!)

Now we got problems
And I don't think we can solve 'em
You made a really deep **cut/got**
And baby, now we got bad blood (hey!)
