

Analysing designs

Activity 11

Now that you have created a design solution, we can check if it can be **improved**.

Complete the activity below by **analysing** your design.

Did you use a fun design?	Yes	No
---------------------------	-----	----

How can you make it more interesting?

Did you use different colours?	Yes	No
--------------------------------	-----	----

How can you add more colours?

Would you use this bin if it was at your school?	Yes	No
--	-----	----

Explain why.
