Devi's professional plans

Look at the sentences in bold in the audio script. Then choose the correct option to answer the question and complete the chart below.

I didn't stay on at school, because generally girls don't here. But then I got this job. I'm the first girl in my family to work outside the home. Since the economic crisis, more women have jobs. I feel very different about my future now. **I'm going to change my job**. I don't want to stay in this one forever. I want to train as a nurse, so I've applied to college. I hope to get a place on the next course. **It starts in January**. **I'm taking the entrance exam next month**. I'm very nervous about it. I haven't told my boss. **I suppose I'll tell him soon**.

What tense are all the sentences in bold in?

Sentence	Meaning	Structure
I'm going to change my job.		
It starts in January.		
I'm taking the entrance exam next month.		
I suppose I'll tell him soon.
