

#### Activity 4

**R**  
Reading

**E**  
Engineering

**A**  
Art

Ahmed wants to understand technical graphics a bit better. Can you help to **fill the blanks** below with the correct word?

<b>language</b>	<b>image</b>	<b>engineering</b>	<b>explain</b>
-----------------	--------------	--------------------	----------------

Graphics can be defined as an \_\_\_\_\_ of an object. Graphics are useful to \_\_\_\_\_ an idea.  
Technical graphics is like an international \_\_\_\_\_ that can be understood around the  
world. Graphics are useful in careers such as \_\_\_\_\_
