

Future forms: will – be going to

READING TEST

Part 1: Read what these three people want to do in the future and answer the questions in full sentences. Remember how we form the future tense!

My name is Lance and I am 15 years old. I am not sure what job I want when I am older, but I do know that I want to go to university. I am going to study English, Italian and Maths in Year 12 & 13 and then go to a good university to study modern languages. Maybe I will become a famous writer or artist.

Hi, my name is Rosie. I am 17 years old. I am going to be a doctor when I am older. I love to study and will go to medical school when I am 20. Before this I am going to travel abroad, to Africa and India and work in hospitals to get some experience. I know it will be difficult, but I will be strong and won't get frightened or scared even if things get hard. I want to be the best!

When I am older I am going to travel more. I came to the UK from Italy when I was five and I will return there one day soon. As I am going to travel I will learn as many new languages as I can while I am at school. I really want to learn Chinese and Russian, but the school doesn't teach it at the minute, although the teachers say this will change soon! Sorry I forgot to say, my name is Laurent and I hope I will meet you on my travels in the future!

Read again and mark the name according to the information they mentioned (some questions have two answers)
