Task 1: Read and choose True or False.**MY HEALTHY BREAKFAST**

I am on a healthy eating programme because I have high blood pressure. A tasty, healthy breakfast is good because it gets your day off to a great start. Every morning, I have fruit and yogurt to start with. I buy a pack of frozen summer fruits. The pack contains strawberries, raspberries, blueberries, blackberries, black cherries, redcurrants and blackcurrants. I don't like blackcurrants so I take them out and my husband eats them. Sometimes I mix the summer fruits with jelly. I put it into a dish and top it with the yogurt, good Greek yogurt. After that, I have two pieces of wholemeal toast with butter (just a bit of butter), with tomatoes and two eggs. I prefer tinned tomatoes and poached eggs. Afterwards, I have a nice milky coffee. Last week, I took a photo of my breakfast and put it on facebook. I waited for likes and loves and positive comments. My husband's aunty gave me 'wow' and wrote this: 'Wow Julia, how do you eat all that, first thing? I have one piece of toast and a cuppa. My blood pressure is fine, by the way.' **By Julia**
