Read the text and answer the questions

 **How do children go to school in your country?**

Ellie
Maple Tree School
Canada

Hi! Here in Canada, many children go to school by bus. The school buses are bright yellow. I walk to the bus stop with my older sister and then take the bus. I'm lucky. My journey to school only takes 20 minutes.

Hi! I go to the same school as Ellie and I go by mini-bus . It's a special mini-bus for people who use wheelchairs . It comes to my house at 8:30 in the morning. It picks me up from school at four o'clock in the afternoon. I'm very lucky. Many children can't go to school by bus or mini-bus.
