Write a review of a museum. Include the following information. (50-70 words)

- What is the name of the museum?
- Which objects can you see there?
- Where the objects are from?
- Why do you like to go to this museum?

There are many kinds of museum all over the world, but my favorite one is the Pitt River museum in Oxford. I can see many objects there such as Caricature masks, Pottery lamps, Roman shoes and an old USB stick. They are from different countries like Egypt, Mexico, The UK and Pakistan. I like to go to the museum because the entrance is free and there are interesting objects inside this museum.
