

**Illusions caused
by light passing
through hot air**

**Tests that can help
us understand how
our eyes and brain
work**

**To say the
colour and not
the word**

**Touch, taste,
smell, hearing
and sight**

- 1- What are the five senses mentioned in the text?
- 2- What are mirages?
- 3- What are experiments?
- 4- In picture 1, what is the challenge presented to our brain?
