Nina

It's my first day at secondary school. I don't know anybody! I'm sitting in the library and writing this. All my friends are
5 at different schools, so I'm feeling really sad. How can I make new friends here? Any ideas?

Lily

Hi Nina. I'm starting a new school today too. My best
10 friend is at a different school too. It's really annoying, but I really want to make new friends here. At the moment,
15 I'm looking at the list of after-school clubs and sports. Why don't you do the same thing?

Neil

I'm new at my school too, Nina. I'm shy, so it isn't easy
20 for me to meet people for the first time. I'm having lunch now with another new boy in my class. It helps because we are both new. Is another girl from
25 your class sitting on her own? Try talking to her.

Sue

It's the first day, Nina. Because lots of students are new, they aren't feeling happy.
30 So, you aren't alone. Don't be shy – talk to the student next to you in class. Just say, 'Hi! I'm Nina.'
