

You Can't Take Me

You can't take me, yeah
Gotta fight another **fight/light**, I gotta
run another **night/might**
I get it up, check it out
I'm on my way and I don't feel right

I gotta get me back, I can't be beat
and that's a **fact/fast**
It's okay, I'll find a way
You ain't gonna take me down no
way/play, (whoa-oh) yeah

Don't judge a thing/sing until you
know what's inside it
Don't push me, I'll fight it
Never gonna give in, never gonna give
it up, no (whoa-oh)
If you can't catch a wave, then you're
never gonna **pride/ride**
You can't come uninvited
Never gonna give in, never gonna give
it up no
You can't take me, I'm **free/glee**

Why did it all **goal/go** wrong?
I wanna know what's going on
And what's this holding **me/free**?
I'm not where I'm supposed to be

I gotta fight another fight, I gotta fight
will all my might
I'm getting out, so check it out
You're in my way, yeah, you better
watch out (whoa-oh) oh, come on
Don't judge a thing until you know
what's inside it
Don't push me, I'll fight it
Never gonna give in, never gonna give
it up, no (whoa-oh)
If you can't catch a wave, then you're
never gonna ride
You can't come uninvited
Never gonna give in, never gonna give
it up no
You can't take me, I'm free
Oh yeah, I'm free
