

FIRST QUARTERLY ASSESSMENT

DRRM 12

Prepared by: Mr. Ravy G. Galopo

Name: _____ Score: _____/70

Grade and Section: _____ Date: _____

IMPORTANT REMINDERS: Following instructions is part of the exam. Failure to follow instructions will cause a 5-point-deduction from the total raw score.

I. Briefly explain the following causal factors of disasters in 2-3 sentences.

1-4. Poverty

5-8. Population Growth

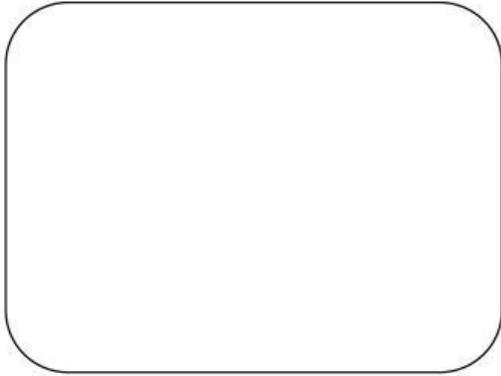

9-12. Rapid urbanization

13-16. Environmental Degradation

17-20. Lack of information

21-24. Global Warming

VI. Through drawing and symbolism, identify the following characteristics of disasters and briefly explain each. (20 pts)

25-30. Knows no political boundary

31-35. Exposes lack of disaster planning, response and coordination

36-40. Worsens confusion in understanding roles of people and organizations

41-45. Creates new tasks and requires more people as disaster responders

Rubrics:

5 pts.	Drawing and explanation is complete. The explanation is in accordance with the concepts discussed about characteristics of disasters.
3 pts.	Drawing and explanation is complete. However, the explanation is not in accordance with the concepts discussed about characteristics of disasters.
1 pt.	Incomplete answer. There is either a drawing without explanation or explanation without a drawing only.

VII. Answer the following in 3-4 sentences.

46-50. Do more unpredictable natural hazards cause more damage and casualties? Why or why not?

51-55. Will you consider spending to make a school or an office building earthquake-proof as good investment? Why?

56-60. What would you consider a better policy, focusing on preparedness and other pre-disaster programs or on post-disaster-related concerns (relief, rescue, and rehabilitation)? Explain your answer.

61-65. If you will rate our local government unit (Pasig City) in terms of disaster response, what rating would you give? Use 5 as the highest score and 1 as the lowest and explain why.

66-70. If you will give your solution for the following hazards, what will it be and why?
