Anyone can join the Sport Society, whether you're an avid sportsperson or a complete beginner looking for a new hobby.

We have sessions at lunch and after school, so there's something to suit everyone's schedule. Sessions run Monday to Friday, 2-3pm and 4-6pm.

The Sport Society runs a variety of clubs and classes that offer different activities at all levels. If you love football and dream of being on a team, we've got what you're looking for. Or if you need to de-stress after a long day of studying, why not take a relaxing yoga class?

Exercising is great for our physical health, but did you know that it can also improve your mood and even your social life? The Sport Society organises regular social events, so even if you don't play a team sport, you'll always feel part of the club! What are you waiting for?
