The most popular jobs are working in shops and stores (usually on Saturdays), doing a paper round (mornings, before school), or babysitting.

**B.** Nearly all teenagers claim they help with the housework. But most admit they only do it because they have to.

**C.** Two thirds of those who were interviewed take part regularly in one or more sporting activities. Swimming is very popular with both sexes, while more than 45 per cent of boys play football.

**E.** Most teenagers get along with their parents quite well. Although a lot of teenagers believe their parents are too strict, most agree that their parents offer help and support in times of crisis. When there are arguments, however, they are usually about what time they should come home at night, where they are going, and who they are going with.
