Teacher's feedbacks

**Task 1: Read and write T or False: Con đọc và viết T (đúng) hoặc F (sai)**

Hi! My name's Annie. I'm 11 years old and I go to an elementary school. I'm in year 6. I want to talk you about our classroom. It is new and really nice. There are big windows so there is a lot of light. There are twenty-two desks for the students and a table for the teacher. There is a board on the wall. On the other walls there are posters with pictures of animals – elephants, lions and giraffes. There are some posters of pets too – guinea pigs, hamsters and cats. There are four computers in our classroom, but there isn't a printer. It is in another room. There are also two maps here. One is a map of Great-Britain and the other one is a map of Europe. There are also things on the floor. There are schoolbags, paper, pens and pencils. Our classroom is very different at four o'clock (we go home then) from nine o'clock in the morning!
