

Fill in the blanks with the correct information.

Conditional clauses are used to express _____ (1 condition) and their potential outcomes. The type of _____ (2 condition) clause used depends on the likelihood of the condition being fulfilled and the consequence that follows.

Zero Conditional: This type of conditional is used to talk about _____ (3 general) situations that are always true or generally true. It consists of the _____ (4) tense in both clauses.

Example: If water _____ (5 reach) 100 degrees Celsius, it _____ (6) (boil).

First Conditional: The first conditional is used to talk about _____ (7) events or situations that are likely to happen in the future. It is formed with 'if' + _____ (8) in the if-clause and _____ (9) + base form of the verb in the main clause.

Example: If it _____ (10 rain) tomorrow, we _____ (11 bring) umbrellas.

Second Conditional: This conditional is used to talk about _____ (12) events or situations that are unlikely or impossible to happen in the present or future. It is formed with 'if' + _____ (13) in the if-clause and _____ (14) + base form of the verb in the main clause.

Example: If I _____ (15 win) the lottery, I _____ (16 buy) a yacht.

Third Conditional: The third conditional is used to talk about _____ (17) events or situations that did not happen in the past and their imagined results. It is formed with 'if' + _____ (18) in the if-clause and _____ (19) + past participle in the main clause.

Example: If she _____ (20 study) harder, she _____ (21 pass) the exam.

_____ (22) conditionals and wish are used to express **hypothetical or unreal** situations in different time frames.

Mixed Second/Third Conditional: This type of mixed conditional combines elements of the _____ (23) and third conditionals. It is used to talk about _____ (24) situations in the past and their hypothetical results in the present.

Example: If I _____ (25 study) harder in school, I _____ (26 have) a better job now.

Mixed Third/Second Conditional: This mixed conditional is used to express unreal situations in the _____ (27) and their hypothetical results in the past.

Example: If she _____ (28 be) more confident, she _____ (29 apply) for the job last year.

Mixed First/Second Conditional: This type of mixed conditional combines elements of the _____ (30) and second conditionals. It is used to express a present result of a past condition that is still relevant in the present.

Example: If you _____ (31 call) me earlier, I _____ (32 help) you now.

Wish: Wish is used to express regrets or desires for situations that are _____ (33) true in the present.

Example: I wish I _____ (34 have) more time to travel.

Wish in the Past: Wish is used to express regrets or desires for situations that were not _____ (35) in the past.

Example: I wish I _____ (36 study) harder when I was in college.

Wish in the Future: Wish is also used to express desires for situations that are unlikely to happen in the future.

Example: I wish I _____ (37 be)) able to attend the concert next weekend.

"If only" is also used to express wishes or regrets in English.

"If Only": is used to express regrets about _____ (38) situations that could have been different.

Example: If only _____ (39 study), I would have passed the exam.

"If Only" + _____ (40) : This structure is used to express strong wishes about past situations that cannot be changed.

Example: If only _____ (41 listen) to your advice earlier!
