

Listen to the song while filling in the blank with the words you hear!

Oh, why you look so sad?

(1) are in your eyes

Come on and come to me now

Don't be (2) to cry

Let me see you through

'Cause I've seen the dark side too

When the night (3) on you

You don't know what to do

Nothing you (4)

Could make me love you (5)

I'll stand by you

I'll stand by you

Won't let nobody hurt you

I'll stand by you

So if you're mad, get mad

Don't hold it all (6)

Come on and talk to me now

Hey, what you got to (7) ?

I get angry too

Well I'm (8) like you

When you're standing at the (9)

And don't know which (10) to

choose

Let me come along

'Cause even if you're wrong

I'll stand by you

I'll stand by you

Won't let nobody hurt you

I'll stand by you

Take me in, into your (11) hour

And I'll never (12) you

I'll stand by you

And when

When the night (13) on you,

baby

You're feeling all alone

You won't be on your own

I'll stand by you

I'll stand by you

Won't let nobody hurt you

I'll stand by you

Take me in, into your (14)

hour

And I'll never (15) you

I'll stand by you

I'll stand by you

Won't let nobody hurt you

I'll stand by you

Won't let nobody hurt you
